

Unlock Your Company's Next Stage of Growth

Fractional CFO & COO Leadership for \$1M–\$250M Businesses

Are You Facing These Challenges?

- Cash flow uncertainty is holding back strategic moves
- No clear financial forecast or growth roadmap
- Operational bottlenecks are slowing delivery and execution
- Lack of C-suite expertise without the budget for full-time hires
- Preparing for M&A, capital raise, or a major restructuring

Our Solution

FMX Partners bridges the gap with **fractional executive leadership**—giving you strategic vision and hands-on execution, without the overhead of a permanent hire.

What We Deliver

Fractional CFO Services

- Cash flow mastery & profitability improvement
- Board-ready reporting & investor communication
- M&A support & capital readiness
